Fall Preparation Song

Oh, Fall is Here (song)
(Sung to the tune of "Oh Christmas tree")

Oh, fall is here. Oh, fall is here.
And wintertime is coming.

The squirrels get ready. Yes, they do.
They gather nuts to get them through.

The wintertime, cold wintertime,
It's fall and winter's coming.

*(Repeat the song, each time replacing the
third and fourth lines above with a
different verse)*

The ducks get ready. Yes they do.
They migrate south to get them through.

Groundhogs get ready. Yes, they do.
They look for dens to get them through.

The deer get ready. Yes, they do.
They grow thick coats to get them through.
